

BIG WIPES

TECHNICAL DATA SHEET

BIG WIPES HEAVY DUTY TEXTURED SCRUB & CLEAN WIPES

DESCRIPTION

Pre-moistened industrial strength dual-sided 'scrub & clean' Heavy-Duty wipes for cleaning of **hands, tools and surfaces**. For professional users. Ideal for heavy-duty use on the toughest stains and dried-on dirt, our Heavy-Duty wipes offer the fastest deepest clean ever. Containing no fewer than **4x Power Cleaners**; tackle paint, adhesives, oil and sealants, grease and grime quickly and easily, and **4x skin conditioners**; Aloe vera, Glycerine, Lanoline & Vitamin E, to help protect, nourish and moisturize the skin. Tough on grime and kind to your hands. Perfect for where soap and water are not available

FEATURES & BENEFITS

- Removes paint, adhesive, Poly foam, Grease, PVC glue, Silicone and more
- Skin-friendly, dermatologically tested
- Dual sided textured fabric
- Suitable for hands, tools, and surfaces
- Quick seal lid – to prevent drying out
- Laminate seal for prolonged shelf life
- Lint free

APPLICATIONS

Big wipes are a perfect portable solution for every industry and professional. Suitable for builders, manufacturing, fleet maintenance, farmers, facility managers, painters & decorators, plumbers, roofers, mechanics, construction, maintenance, oil & gas, municipalities, electricians and much more.

DIRECTIONS FOR USE

Open foil seal and pull the center wipe through the lid. Wipe hands, tools and surfaces. For best results, clean spills immediately. Always shut the lid after use and store at room temperature. Always test on hidden spot before use.
